

St. George Catholic School Piano Program

2018- 2019 SGS BEGINNING Piano Group Class Registration Form

The *St. George Piano Program* is offering a Beginning Piano Class for students in grade 4 - 8 with little or no prior experience in piano. Instruction will be in piano basics, note reading, rhythm reading and improvisation. The goal is to give the student a good foundation in piano playing with skills that can be used with other instruments.

Piano Class will be taught by Mrs. Michelle Nelson in the SGS Yamaha Digital Piano Lab in St. Cecilia Hall on Tuesday, after-school from 2:45 p.m. to 4:00 p.m. Pick-up is in the parking lot behind St. Cecilia Hall by the cemetery. Aftercare students will be walked back to aftercare at 4:05 p.m. Classes begin on Tuesday, September 11.

Students enrolled in the SGS Piano Class should have an acoustic piano or full-size (88 key) weighted digital keyboard for home practice.

Students who register and their parents are asked to make a commitment for the school year so students can develop basic skills and reach the desired goals after completing a year of piano study. **Students** should be prepared to put forth the necessary effort to make progress by practicing at home and attending class each week. **Parents** are asked to encourage students to set practice goals so students are prepared to take full advantage of this exceptional music educational experience. We commend you for making this investment in your child's music education.
