

St. George Catholic School Instrumental Music Program

2018 - 2019 SGS Guitar Group Class Registration Form

The *St. George Instrumental Music Program* is offering a Guitar Group Class for beginner and intermediate guitar students in grade 5 - 8. This year, we are excited to incorporate the Consonus Music Institute Guitar Fundamentals which will allow for multi-level class instruction. It is an online, layered method in which students will have access to a method book and on-line instruction in class and at home. Students will be instructed in guitar basics, note reading, finger picking, chord playing, rhythm patterns, various music styles and improvisation. The goal is to give students the tools needed to play music of their choice! All student needs to supply is an instrument. Instruments can be rented or purchased at Zeagler Music, Allison's Music and Guitar Center. A good beginner acoustic guitar with nylon strings will be easier on the fingers to start (toy guitars not recommended).

Guitar Class will be taught by Mrs. Michelle Nelson in the Kleinpeter Activity Center on Monday, after-school from 2:45 p.m. to 4:30 p.m. Pick-up is in the drive between the church and the Kleinpeter Activity Center. Aftercare students will be walked back to aftercare at 4:35 p.m. Classes begin on Monday, September 10.

Students who register and their parents are asked to make a commitment for the school year so students can develop basic skills and reach the desired goals after completing a year of guitar study. **Students** should be prepared to put forth the necessary effort to make progress by practicing at home and attending class each week. **Parents** are asked to encourage students to set practice goals so students are prepared to take full advantage of this exceptional music educational experience. We commend you for making this investment in your child's music education.
