## 2017- 2018 SGS Intermediate Piano Class Registration Form

The *St. George Piano Program* is offering an Intermediate Piano Class for students that have taken beginning or intermediate piano class, or has had private lessons in the past. Students will receive individualized instruction and small group instruction. They will continue working on piano skills at their individual playing levels with introduction to various styles and improvisation.

Piano Class will be taught by Mrs. Michelle Nelson in the SGS Yamaha Digital Piano Lab in St. Cecilia Hall on Wednesday, after-school from 2:45 p.m. to 4:00 p.m. Pick-up is in the parking lot behind St. Cecilia Hall by the cemetery. Aftercare students will be walked back to aftercare at 4:05 p.m. Classes begin on Wednesday, September 6.

Students enrolled in the SGS Piano Class should have an acoustic piano or full-size (88 key) weighted digital keyboard for home practice.

Students who register and their parents are asked to make a commitment for the school year so students can reach desired goals after completing the year of piano study. **Students** should be prepared to put forth the necessary effort to make progress by practicing at home and attending class each week. **Parents** are asked to encourage students to set practice goals so students are prepared to take full advantage of this exceptional music educational experience.
