

St. George

Club

Who: All 6th, 7th, and 8th Graders are welcome to join STEAM Club! Moderators are Mrs. Bass, Mrs. Bridevaux, Mrs. Bruno, and Mrs. Parker.

What: STEAM Club is a club for anyone who wants to explore Science, Technology, Engineering, Art, and Math in a fun and creative way! We will play games, have guest speakers, do art projects, and just have fun!

Where: STEAM Club will meet in Mrs. Bridevaux's room 31 or the science lab.

When: Kick Off will be after school Monday 11/6/17 and Monday 11/13/17 from 3:00-4:00. During the Kick Off, two retired math professors who are also origami artists will show us how to make 3D structures with origami. We will video the instruction for any students who can't make these after school meetings.

Regular meetings will be during lunch and recess on Thursdays beginning on 11/9/17 in room 31.

Parents, please complete and turn in to your child's math or science teacher by Friday, November 3, 2017.
