

St. George School Math Club

- Math Club will begin Wednesday, November 9th from 3:00 – 4:00 and will meet every other Wednesday. We will meet in Mrs. Bridevaux's class, room 31.
- The Math Club moderators are Wendy Bridevaux and Missy Wiseman.
- Any middle school student in grade 6th – 8th is welcome to join.
- Math Club will consist of fun games and activities that promote higher order thinking and multi-step problem solving.

The students will be allowed to wear their Math Club t-shirts over their uniform on Math Club days. The cost of the shirt is \$10 payable by check made out to St. George or with cash. The t-shirt is optional, but the permission slip must be turned in to your child's Math teacher by **Monday, November 7th**.

Please select a t-shirt color and size:

Green(everyone) Red(6th grade) Purple(7th grade) Yellow(8th grade)
