**St. George Catholic School
Summer Band Program**

The SGS Summer Band Program is offered to students who desire to further their musical aspirations through summer study. While Summer Band classes are structured with a goal of advancing the young musicians' overall skills, the atmosphere is more relaxed. Classes are geared to having fun while learning, and will focus on ensemble and sectional work, improving technical ability and sight reading, music theory, and increasing basic repertoire (*pop, light classics, jazz*). Students will have the benefit of five highly qualified instructors - Mr. John Gerbrecht, Mrs. Jan Dupre, Jacob Dupre, John Dupre, Ivy Holladay

We strongly encourage **all returning St. George Band Students** to enroll in the St. George Summer Band Program, July 16 thru 21. What a great way to stay motivated and keep playing your instrument in the summer, and to be ready for the new school year that will be just around the corner in August! We have high goals for the 2018 - 2019 school year for both Advanced Band I and II - *Fair Performances, Follies Orchestra, All Parish Bands, Book Fair Family Night Out, High School Band Nights, School Performances, Loyola Jazz Festival*, and much more! Remember, the summer is a terrific time to make great progress on your instrument! *(and a terrific time to have a blast with your band friends this summer!)*
