St. George School Summer 2017 Camps

June 5-9, 2017 8:30am-11:30am

Math, Literacy and Art Adventures (Jan Brett) - Students entering grade 1

Facilitators: Wendy Bridevaux and Donna Rogers

This fun camp will use the books of Jan Brett to explore math, literacy and art. We'll have fun doing many small group activities while working on our math, reading, and writing skills! Each day will have a different theme based on the author's books. \$130.00

It's All Elementary Computers! - Students entering grades 2-5

Facilitator- Richelle DeCuir

A great camp for the techie kiddos to have fun with computers! We will do some basic coding, STEM area educational gaming, and engaging projects using daily themes. Keyboarding skills, Microsoft Office and Web 2.0 projects and a little outside time will keep us learning and having fun! Daily snacks, drinks, supplies and a camp T-shirt included. Create your own technology portfolio this summer! \$130.00

Art Camp - Students entering grades 2-8

Facilitators-Jenn Prochaska and Sharyn Lithgoe

Be creative at this 4 day camp. Paint, sculpt and be inspired by a variety of projects. Come make some masterpieces with us! Supplies included: paper, canvas, oil pastel, acrylic paint, clay, etc. Bring your own snack and drink. \$130.00

Bow to Toe Cheer Camp - Students entering grades 1-5

Facilitator: Lori Tucker-Day

Participants will learn fun cheers, chants, dances and stunts from high school cheerleaders for four days. Performance for parents will be on Thursday, June 8 from 11:00-12:00. Participants should bring a snack, water bottle and wear tennis shoes and camp T-shirt. \$100.00

Motors, Magnets and Simple Machines! - Students entering grades 5-8

Facilitator: Cherami Bass

Campers will discover the exciting applications of mechanical engineering. Campers will design, construct and test multiple projects using motors, magnets and simple machines. Starting with step-by-step builds, learners eventually advance their way to constructing creations of their own. \$130

Healthy Bodies - Students entering grade 5, 6 or 7

Facilitators: Jennifer Parker and Marianne Fauchaux

Let's get those bodies moving and learn how proper nutrition is essential to a healthy body! The Healthy Bodies camp will include preparing and eating delicious and healthy snacks, and we will have lots of fun playing games and doing yoga, dancing, and traditional exercises. \$130.00

June 5-9, 2017 12:30pm-3:30pm

Math, Literacy and Art Adventures (Leo Lionni) - Students entering grade 1

Facilitators: Wendy Bridevaux and Donna Rogers

This fun camp will use the books of Eric Carle to explore math, literacy and art. We'll have fun doing many small group activities while working on our math, reading, and writing skills! Each day will have a different theme based on the author's books. \$130.00

Hogwarts Camp - Students entering grades 5-8

Facilitators: Richelle DeCuir and Veronica LeGrange

We are pleased to inform you that we are accepting applications at Hogwarts Camp for Muggles at St. George. Classes will include some chemistry, botany, technology, language arts and arts and crafts. Term commences June 5th, 2017. We anxiously await your owl for registration. The camp includes a T-shirt and daily snack. Come and learn about life in Harry Potter's world, be sorted into your house, write a letter from Hogwarts, create your own fan-fiction, learn some of those pesky Weasley brother's skills and let your wand find you! \$130.00

Oh! Oh! It's Magic! Science Camp - Students entering grades 2-4

Facilitator: Cherami Bass

Channel your inner Albert Einstein and Harry Houdini in his mind-bending week. Join us as we learn that magic tricks all have a bit of science behind them. We will use magnetism and static electricity to make objects levitate, write with invisible ink and make water defy gravity. We'll prepare all week for a spectacular magic show you will perform for friends and family.
